Declass Review by NIMA/DOD

Attention: Contracting Officer

Subject: Continuation of Film Processing Research

Gentlemen:

STAT [redacted] wishes to enter the following unsolicited proposal pursuant to the continuation of the basic and applied research as performed under Contracts [redacted]

We wish to offer the full capability of the [redacted] and in particular the services of a Research Director, six (6) full time Senior Research Engineers and six (6) Associate Research Engineers, each for a period of eleven months. It is planned that these men will be utilized on various research tasks as prescribed by the procuring activity. Such efforts will be performed in the Government owned facility located at the [redacted]

The specific research tasks which are to be assigned will result from technical meetings between the two parties during which the requirements of our customer will be discussed in depth, in relation to Technical and Economic Feasibility.

Once a specific task is agreed upon, an allocation of the required manpower and budget will be made from the available resources.

It is suggested that funding of not less than [redacted] be made available for this program.
